1. What does your organization do? What is your founding mission and what are your operations?

What we are looking for:

- Highlight a brief history of how the organization was founded and communicate how your foundational mission matches that of this funding opportunity.
- Include the leadership team or board of directors and briefly how important decisions were made to build your nonprofit.
- Is the founding mission interwoven throughout daily operations? Give an example.

2. Briefly describe the project you plan to fund
3. How long have you been around and how did you get started in this work?
4. What are your achievements to date? What are your goals for the next three to five years?
5. Who makes the decisions? Who is responsible for running the organization and/or making financial decisions? Who serves on the Board of Directors
6. Are you part of a larger organization? If you are a big national organization, how locally focused are you?
7. Where does this project fit within your organizational strategy and vision?
8. Is your organization the primary deliverer of this service? Is it the primary initiator of the project?
9. What preparation have you done to date?
10. What is your plan to create awareness or promote your project?
11. What are plans to ensure project success?
12. Budget:

13. What is the overall state of your organizational finances? How are you currently funded?

14. Can your organization sustain the program once funder dollars are no longer there?

15. What other funding or program partners are you bringing to the table?

16. Do you truly need the funding support or will you make the program happen in a timely way without funder support? Is funder support key to the success of the project?
